

Kyles Heart Foundation
Giving from the heart to help others

The Power of Prayer....

We are blessed to be a part of this Kyle' Heart Family, but even more blessed to be a part of the bigger family, God's Family. Even as Christians, life is never easy and we will endure difficulties and struggles along side of the good and the great. But one thing that is always constant is God's love for all of us.

Pray without ceasing.

Please keep our dear friends Jack and Diane Hunt in your prayers as health issues have made for a difficult 2017 for them. Jack and Diane have always been a strong part of their community in which church and volunteerism have always been a key part of their lives, examples of a servant's heart. Their wish is to be healthy to be able to continue God's will. We wish them much love, heartfelt prayers, and strength towards recovery.

Philippians 4:19 *And my God will meet all your needs according to the riches of his glory in Christ Jesus.*

James 5:15 *And the prayer offered in faith will make the sick person well; the Lord will raise them up.*
