SPECIAL FEATURE 2016

## Honoring Heart and Commitment.....Kyle's Heart to Cheer on The Transplant Games

The Donate Life Transplant Games produced by the Transplant Games of America is being hosted in Cleveland, Ohio on June 10<sup>th</sup> through the 15<sup>th</sup> this year to continue highlighting the importance of organ, eye, and tissue donation. This festival-style event is held every 2 years to celebrate the lives of organ donors and recipients. Comprised of 18 events, athletes can compete in a total of 4 events which does not include team events. Recipients and living donors as well as donor families are welcome to participate in this Olympic-style athletic competition that raises awareness by displaying the talents and abilities of individuals and honoring families who have been changed by organ, eye, and tissue donation.

Our dear friend Jack Hunt is gearing up for this event and the Kyle's Heart Foundation plans to travel to Cleveland in support of his athletic talents. This will be the first time that Kyle's Heart will be present at this event to be a part of the festivities and share in heart-felt moments and blessings that will be felt by all. We encourage all that can be a part of this event to come and support Jack Hunt as well as spend some time with members of the Kyle's Heart Foundation and enjoy all that Cleveland has to offer.
